Agenda Items:

1. Public Comment

- a. Austin Todd, resident of the Summit townhome neighborhood, commented that he feels the Town should provide the community additional options for composting food scraps. His neighborhood HOA provides a seasonal compost subscription service that he feels is too expensive for food scraps since townhomes do not have yard waste to dispose of like a single-family home would. He would like to be able to take food scraps to a coordinated public drop-off location like the Yard Waste site where it could be taken to a certified compost site, rather than drive to the Charm site in Boulder where he would have to pay to drop it off. The Committee will include looking at this suggestion as an item to recommend for the 2016 Work Plan.

2. New Business and Updates

- a. Fall Document Shredding and Electronics Recycling Event with Guardian Storage (October 26 – November 13) – calendar note that the Town is coordinating with Guardian Storage to host a Fall Shredding and Electronics Recycling Event from 10/26 to 11/13. Staff is publicizing through all Town media.
- b. 2016 Budget – the Town Board approved the 2016 Budget during their October 26 meeting.
- c. Annual Christmas Tree Program with Scouts – staff is coordinating this year's program with Boy Scout Troops 278 and 575 on January 9.
- d. Newsletter and website information – this month's newsletter included the shred and e-cycling event, bulk item disposal options, Doo Good pet pick-up reminder, indoor water audits, and EnergySmart program tips. Staff will rerun the holiday shopping article from last year unless there's another article the Committee is interested in forwarding.

3. Discussion – Boulder County PACE Program – Superior Business Community Engagement. The Committee will plan to work on plans to promote the program next month.

4. Discussion – 2016 Work Plan. The Committee discussed items to potentially be considered for next year's Work Plan. The Committee members will receive the updated list via email, and then plan to review during next month's meeting.

Next Meeting: Thursday, December 10, 5:30 p.m. at Town Hall
